Back Cover Copy:

A companion coloring book to the YA dystopian novel *Ending Fear* by Deanna Fugett.

Fourteen-year-old Fear learns she was a parachute baby, dumped over the edge of the Gliding Lands as an infant. Running from her abusive Downer family, Fear discovers a new family—one who knows how to love. But then her new little sister is kidnapped and sold to a harem. Fear must go against her namesake and journey to the dreaded Gliding Lands before the little girl's innocence is ripped from her forever. Can she save Happy in time?

Bring the characters of Deanna Fugett's debut novel to life with lovely illustrations by the talented artist Keighley Kendig!

Author Bio:

Deanna Fugett's heart belongs to writing. Author of edgy YA Dystopian fiction with an underlying message of hope, this stay-at-home mom of four focuses on writing as much as humanly possible. She was published at the young age of six in a local newspaper and is excited to be published again. It only took twenty-six years. She enjoys the thrill of writing fiction that deals with intense topics and prays it will impact people for the better. Visit www.DeannaFugett.com to learn more about her.

Illustrator Bio:

Artist Keighley Kendig began drawing when she could barely walk and hasn't stopped since. She landed her dream job at Disney World, where she sees dreams come true every day. She adores bringing book characters to life with her many artistic endeavors. You can contact her at keighleychristina@yahoo.com to book her for your own coloring book or project, or you can follow her on Instagram at @keighleyk to learn more about her.
